Sir:

In accordance with the duty of disclosure imposed by 37 C.F.R. § 1.56 to inform the Patent and Trademark Office of all references coming to the attention of each individual associated with the filing or prosecution of the subject application, which are or may be material to the patentability of a claim of the subject application, Attorneys for Applicants hereby direct the Examiner's attention to references C7 and C8 listed on the attached Form PTO/SB/08A. A copy of each reference is enclosed.

The above information is presented so that the Patent and Trademark Office can determine any materiality thereof to the claimed invention. Furthermore, Applicants do not waive any rights to appropriate action to establish patentability over any of the listed documents should they be applied as references against the claims of the subject application.

Pursuant to 37 C.F.R. § 1.97(c)(2), the Patent Office will consider this First Supplemental Information Disclosure Statement if filed before the mailing date of a final Office Action under § 1.113, a notice of allowance under § 1.311, or an action that otherwise closes prosecution in this application, if accompanied by the fee set forth in
